

DOUBLE MAST NAUTICAL SERIES W/ YARDARM & GAFF

Double Mast Nautical flagpoles are designed to authentically match the original concept of the old double masted ship riggings with the Stars & Stripes flying from the mast's gaff. The top & lower mast connecting bracket as well as the gaff and yardarm bracket are specially fabricated from aluminum plate and tubing, heliarc welded and finished to match the flagpole. The resulting flagpole is one of beauty, strength and authenticity. **Please allow 3 - 4 weeks after approval for shipping.**
